photographic
further excerpts
from my secret
garden
but not tonight
something to do
see you
strangelove
the meaning
of love
suffer well
just can't get
enough

Kasatochi

expansion pack 5

- 1 photographic
- 2 further excerpts
from my secret
garden
- 3 new life
- 4 but not tonight
- 5 something to do
- 6 see you
- 7 strange love
- 8 the meaning
of love
- 9 suffer well
- 10 just can't get
enough

Where nearly all of Kasatochi's previous output reflects my own musical tastes this Expansion Pack betrays my deep and abiding love for the Depeche Mode that ceased to exist somewhere around 1982 - the Depeche Mode capable of turning out absurdly bouncy happy pop songs that didn't ruminate on the darkness of the world.

Turns out it'd make great game music too.

- K
