ANALOG

SUNSET

Kasatochi presents Analog Sunset: an album length compilation of popular music rendered in 8-bit video game style designed expressly to compel those listening to get up and wiggle about in an agreeable fashion.

If you enjoy this latest project from Kasatochi, remember to stop by the official Kasatochi page often - Kasatochi turns hits into bits with alarming regularity.

- 01 - Situation (Yaz cover)
- 02 - Runaway (Del Shannon cover)
- 03 - Rosanna (Toto cover)
- 04 - That's All (Genesis cover)
- 05 - It's My Life (Talk Talk cover)
